ALEKSANDRA BIS

Asset Manager

Based in Warsaw, Poland

Years of professional experience: 11

Palmira employee since: 2019

Aleksandra has 11 years' experience in real estate. She started her professional career in Ablon Group Limited the real estate developer. Before joining the Palmira Group she was asset manager in CPI Property Group. Within over 5 and a half years' experience of asset management, she was responsible mainly for the office portfolio as well as retail and logistics assets. Aleksandra was supervising property management teams, numerous capex, fit-out and tender projects, as well as budgeting and reporting processes. She negotiated nearly 100 leasing agreements and was involved in acquisition processes.

Aleksandra holds two master degrees from the Swedish SLU University and Warsaw University of Life Sciences. She is a Member of the Royal Institution of Chartered Surveyors.
