## SILVIO MÜLLER

Fund Manager

**Based in Frankfurt, Germany**

---

**Years of professional experience: 12+**

---

**Palmira employee since: 2021**

---

Silvio is a fund manager at Palmira Capital Partners. Based in Frankfurt, Silvio is responsible, together with Rui Mercadal Vieira, for the sourcing, acquisition and management of logistics properties for Palmira's various investment vehicles.

Silvio is a proven expert in fund and transaction management. Before joining Palmira in 2021, Silvio was a portfolio manager at DWS Alternatives. Other positions he has previously held include Head of Real Estate Management at Universal Investment, where he was responsible for the administration of German and Luxembourg funds with a volume of more than 20 billion euros, and Head of Portfolio Management at Hannover Leasing Investment. He started his career at PwC, followed by a role as Senior Finance Manager at Nuveen Real Estate, where he was responsible, among other things, for the financial management of the first logistics special AIF initiated together with Palmira.

Silvio holds a degree in real estate economics (DIA), a degree in business administration (BA) with a focus on banking and a master's degree in accounting & finance. He speaks German (mother tongue) and English.
