## CHRISTEAN SCHMIDT

Head of Sustainability

**Based in Frankfurt, Germany**

---

**Years of professional experience: 8+**

---

**Palmira employee since: 2021**

---

Christean has been Head of Sustainability at Palmira since 2021 and leads the company's ESG competence team. Working from Frankfurt, he is the first point of contact for investors and employees for this area and ensures that the aspects of environmental protection, occupational safety, health protection, equality, social responsibility and sustainable corporate governance are taken into account in asset management as well as in the corporate environment.

Before joining Palmira, Christean headed, among other things, the sales department of a provider of technologies for heating, ventilation and air conditioning and developed holistic concepts for CO<sub>2</sub>-neutral commercial properties.

Christean studied at the Technical University of Dortmund and the Ruhr University of Bochum and is an engineer for energy and process technology. He speaks German (mother tongue) and English.
