

CV

JOERN PETER WAHL

Fund Manager

Based in: Frankfurt, Germany

Years of professional experience: 12+

Palmira employee since: 2023

Joern Wahl holds a degree in Geography (University) with a focus on state and regional planning. In addition to his native language (German), he is fluent in English. Joern is 45 years old, lives near Frankfurt, is married and has one daughter. As Funds Manager at Palmira Capital Partner, he is increasingly responsible for Palmira's corporate real estate funds from Frankfurt.

Joern Wahl can look back on extensive experience in the real estate and funds sector. Until joining Palmira, he was Senior Portfolio Manager at international capital management companies and has European and international real estate fund experience. Most recently, he was employed by IntReal and managed several real estate funds on behalf of the investment company.

Joern Wahl managed large-volume funds of different asset classes with a focus on Germany and also international orientation with a volume of 15 billion Euros. He is a proven expert in the real estate fund business and can look back on a long career in this field.
